

# ...its all you need!

## Testimonials

1) "This is a significant investment in the education of the students. The School Radio uses exciting and new technology to not only broadcast daily music and interest shows but also items more specifically linked to areas of the curriculum. We have a link to the online radio player so that the content can be enjoyed by all."

**Tim Griffiths, Assistant Head teacher, The Holt Comprehensive Girls School, Berkshire**

2) "We achieved a far greater number of Literacy targets than I could have imagined and engaged the whole community in a way that we had not expected."

**Calne Edginton-White, Head teacher, Lickhill Primary School**

3) "I'm overjoyed and have to say P Squared who installed the School Radio yesterday were brilliant. You all make it happen! The installation & training was superb. The pupils are so excited. I'll definitely be in touch to for the free resources."

**Paul Kelly, Teaching Assistant, Erith School, Kent**

4) "EMC Radio is still going strong, four years on. Using the kit is still an absolute joy and the radio station remains very popular among the students indeed."

**Julian Wharam, Assistant Principle, Earl Mortimer College and Sixth Form Centre, Herefordshire**

5) "The children use the radio station daily, not only around school and playground, they also stream live onto the internet. They all thoroughly enjoy using the station, which has now become second nature. Children as young as Year 3, now schedule and broadcast programmes from our School Radio system."

**Martin Coleman, NPL Rocking Radio, Bridlington Primary School.**

6) "Student Agony Aunt Sessions on the radio have really helped to develop our PSHE programme."

**Head of PSHE, Meopham School, Kent**

7) "If you are considering investing in radio equipment for schools and are looking for a professional but simple to operate play out system, look no further than School Radio. Intuitive, value for money and one of the best learning tools we have invested in."

**Paul Shanks, Head Teacher, Gaywood Community Primary School**

8) "The use of the school radio station has an impact on the 'Every Child Matters' government agenda in that pupils achieve ECONOMIC WELL-BEING by running the station themselves, writing to companies for prizes, organising interviews and managing financial resources for purchasing and licensing music."

**Mr Hilton, Balsal Common Primary School**

10) "The Radio station has really helped to give students a sense of an audience for developing Speaking and Listening activities." **Head of English, Meopham School, Kent**
